Insider's Guide to Successful Importing from the Third World

From: Tomas Belcik

Dear prospective importer/ exporter, small business owner, entrepreneur,

My name is Tomas Belcik, and I have been an importer, wholesaler and retailer of products from South and Southeast Asia, China, Africa, Latin America and Europe for some 35 years.

Are you frustrated with your job? Are you thinking about starting your own business? Are you confused and feel lost as to what type of business to start? If you're confused or feel lost, *you're not alone, especially in today's economy!*.
